

## SAVE THE DATE FOR WOMEN ON MISSION!

SLS20 is a five-day event that welcomes any Catholic who wants to share the truth of Christ and live as a missionary disciple in today's world. It's your chance to meet fellow Catholics from across the country and receive the encouragement, vision and tools you need to live as a missionary disciple in your family, at the workplace, in the parish and in your home community.

This year, you'll also have the chance to participate in two special events just for the **prominent women of FOCUS**.

## WOMEN ON MISSION

**As women we gather.** It's what we do. We're naturally geared to form friendships and communities and provide a space of encouragement and support for each other.

At SLS20, you'll have the opportunity to meet with **Michaelann Martin** and other women in the FOCUS community — those you know and potential new friends — to find the tribe that will help you stay on mission.

What mission? The mission to share the hope and joy of the Gospel with others, inspiring and equipping them for a lifetime of Christ-centered evangelization, discipleship and friendships in which they lead others to do the same — **the mission to make missionary disciples.**

These sessions are especially for women attending SLS20 as benefactors, lifelong mission participants or parents of students and staff who are currently not serving on campus.

Keep a look out for the formal invitation to follow and save these dates on your conference calendar:
